WELCOME TO OUR 61st SEASON!

At Maranatha we aim to help our students achieve excellence in DANCE + LIFE.

That is our More Than Just Great Dancing® philosophy.

With the opportunities and obstacles that children will face in today's world, this mission is more important than ever before!

Dance meets imperative student needs for community, socialization, friendship, mentors, physical activity, and more! The benefits of dance include, but are not limited to: intellectual, academic, social-emotional, and physical support. At Maranatha, we care for both your child's spiritual and physical wellbeing.

Our Commitments:

Instill Confidence

Maranatha is committed to offering programs of EXCELLENCE that instill confidence in our students. Dance meets imperative needs for social-emotional skills, mental well-being, and physical health and provides quality friendships and role models.

Inspire Character

Maranatha is committed to challenging, teaching, and equipping students in a manner that inspires character and encourages passion. Dance has lasting value because dance lessons are LIFE LESSONS. Through dance, students have opportunities to learn perseverance, humility, discipline, respect, and courage, among other virtues. Our teachers also provide an environment for in-class discipleship and training in God's Word.

Impact Community

Maranatha is committed to meaningful RELATIONSHIPS among our students, teachers, and parents. At Maranatha, dance becomes a FAMILY and the studio becomes a second HOME for kids during their developmental years. We desire to impact our community through outreach, service, & sharing the love of Jesus.

Our Basis of Faith:

Though students and families are not required to share our faith, our basis of faith means that we:

- Freely talk about our faith in the studio and share about the hope we have in Christ.
- Pray before classes begin and lift up the needs of students in prayer when appropriate.
- Seek to be positive role models by demonstrating things like integrity, honesty, respectfulness, positive work ethic, patience, kindness, and joy on a daily basis.
- Choose tasteful, modest costumes and use carefully selected music, steering clear of things like inappropriate language and suggestive lyrics in order to maintain a wholesome, positive environment.
- Encourage students to use their art form as a way to create meaningful experiences with others.

Maranatha is entering our 61st season of dance! We are so excited to see your smiling faces back in the studio this season. It is our honor to serve your family and our community. Let us know if there are any questions we can answer or needs that we can meet.

Whether you are taking your first class or preparing for your senior year, we say, "Welcome Home!"

At Maranatha, you are family.

CLASS DESCRIPTIONS - PRESCHOOL AND ELEMENTARY

Our Preschool and Elementary teaching staff follow the Discover Dance® curriculum by Andrea Trench. Discover Dance® is an educational platform and early childhood dance program focusing on research-based, developmentally appropriate content for young and recreational dancers. Each teacher follows a curriculum scope and sequence that provides each dancer specific movement goals, dance terminology, technique, and dance concepts to achieve based on age and dance genre.

Dance With Me is a unique class designed for little ones and their caregivers to dance, laugh, and make lasting memories together! Through movement activities and music, this class encourages bonding, creativity, and joy. This non-recital class is perfect for young dancers who aren't quite ready to dance alone.

BALLETkids

Ballet Kids is for dancers in Kindergarten & 1st Grade who are ready to take the next step in their ballet journey! In this class, dancers wear ballet shoes for the first time and begin focusing on proper ballet technique and terminology in a fun, age-appropriate way. With a mix of structure and creativity, Ballet Kids helps build strength, grace, and a strong foundation for future dance training.

Musical Theater Jazz Dance is where dancing and acting come together for an experience full of fun and creativity! Dancers will learn high energy choreography inspired by Broadway's best while exploring character, storytelling, and stage presence. Perfect for kids who love to perform, this class builds imagination, expression, and teamwork—all while having a blast!

TAP

Our high-energy tap classes are perfect for kids who love to make music with their feet! Dancers learn tap steps, rhythms, and combinations that build coordination, timing, and tons of confidence. With every shuffle, stomp, and step, they'll be smiling, moving, and making noise in the best way possible!

Tippy Toes is the perfect first dance class for our dancers ages 3-4! With twirls, giggles, and lots of fun, dancers begin to learn about creative movement in a playful and encouraging environment. This class is also their very first independent dance class and recital experience—building confidence, making new friends, and creating magical memories on stage!

primaryBALLET

Primary Ballet is designed for dancers in 2nd - 5th Grade who are ready to deepen their ballet training. This class focuses on building strength, refining technique, and expanding ballet vocabulary in a supportive and encouraging environment. Dancers develop perseverance, discipline, confidence, and a strong technical foundation—perfect for those continuing in our Children's or Leveled Program.

Hip Hop Kids is a high-energy dance class for ages 4-7 that's all about originality, movement, and confidence on and off the stage! Dancers learn basic hip hop steps, rhythm, and coordination through kid-friendly music and playful choreography. It's the perfect class for movers and groovers who love to express themselves and bring big energy to the dance floor!

Primary Hip Hop brings that same high-energy for dancers in grades 2nd- 5th who are ready to level up their moves! This class dives into age-appropriate hip hop technique, musicality, and choreography, all set to upbeat music with space for dancers to add their own flair. Dancers continue to build confidence, coordination, and style while learning to express themselves through dynamic movement and fresh combos!

Tutus & Bowties is an exciting next step for dancers ages 4-5! This class continues to develop ballet and creative movement skills in a supportive and playful environment. Dancers continue to grow in confidence, technique, and coordination—all while making new friends and enjoying dance together!

ACRO

Acro Kids is for little tumblers in Kindergarten - 1st Grade who are ready to take their Acro skills to the next level! They'll continue their strength, coordination, and confidence training while mastering basic Acro moves, flips, and stretches—all while having a blast!

S.T.E.P. PROGRAM

Maranatha's Student Teacher Education Program (S.T.E.P.) is a highly distinguished in-studio education program that aims to promote the love of dance and knowledge of instructional methods to current students.

As a member, students are guided through the dance education process using in-class training, hands-on practice, instructor mentoring, research-based activities, and self-analysis assignments that are designed to give our students an opportunity to participate in the educational process of being a student teacher. The STEP program provides the stepping stones needed towards building confident, hardworking, well-informed, and eager dance educators for the future. Discipline, respect, responsibility, enthusiasm, and patience are qualities we want to see in our students!

For more information or to apply for the S.T.E.P. Program, please visit: maranathadance.com/step

Applications are open for dancers in 5th grade and up!
