

Maranatha THEATER MINI-SESSIONS

THEATERkids

Exploring movement, music and acting. A class designed for our youngest up-and-coming theater fans!

theARTer!

Students who love to draw, paint or create will love exploring the principles of design used to create theatrical elements! After exploring lighting, costuming, set and sound design we will create our own puppet show to discover how all of these elements work together to tell a story.

Improv!

Stretch your creativity and confidence while playing! Foundations of improvisation will help develop team building, public speaking, focus, as well as crucial quick-thinking skills for actors. And it's enormously fun.

About Ms Katie

After receiving her Bachelor's degree in Theater from Palm Beach Atlantic University in 2013, Katie has worked in the South Florida theater market as a performer and in theatrical production for prestigious companies such as The Kravis Center for the Performing Arts, Storymakers, Disney Musicals in Schools and The Palm Beach Opera. She returned to her alma mater as the Director for Children's Theater at Palm Beach Atlantic University where she instructed children on all aspects of theater production. She has two young daughters, plays the flute, loves to hike, read and is a very competitive board game player! She is excited to share the power of theater to glorify God here in Cape Coral!
